AFFIDAVIT FOR WARRANT OF ARREST AND DETENTION

The undersigned Affiant, who after being duly sworn by me, on oath, makes the following statement:

I have good reason to believe and do believe that **Richard Kenneth Speed III 10-24-2002 B/M** , in the city of Austin, Travis County, Texas, did then and there commit the offense of:

Assault w/ Injury / Class A Misdemeanor

Affiant, Detective M. Verver #4405, is an investigator assigned to the Organized Crime Gang Unit of the Austin Police Department. As a result of such assignment the affiant is responsible for the investigation of violent crime offenses, violent gang shootings, narcotics and firearms violations committed against citizens withinin the City of Austin. The following information is based on victim statement, identified as: Clarence Plummer, affiant's personal knowledge, photo line-up and information contained in Austin Police Department incident report **20-0741737**.

On 3-14-2020, Officer Culbertson was dispatched to a disturbance at Conoco convenience store at 6710 Loyola lane. Officer Culbertson spoke to the victim and he stated that he had been physically assaulted by his son identified as: Jaylon Plummer 9-8-2002 B/M. The victim attempted to get his son to leave with him from the store. The victim was stated that Jaylon was with his friends at the convenice store. The victim stated that Jaylon punched him in the mouth and his 5 friends started to assault him while he was trying to get his son to leave with him. The victim stated that he was pushed to the ground, they all begin to punch, kick and stomp on the victim. The victim did not know who the other suspects were that assaulted him.

The Conoco had video footage of the assault from the video camera system. I reviewed the video footage and could see the assault that took place against the victim. In the video and through reports, I was able to identify one of the suspect as: Richard Kenneth Speed III 10-24-2002 B/M. The video shows Speed punching the vicitim in the back of the head with his right fist and kicking the victim in the back, while the victim was on the ground.

The victim had the following injuries:
Large bump on his left cheek
Knot on the back of the head
Majority of the pain to the victim's head
Abrasion to right knee

Based upon the above information, I have probable cause to believe that **Speed, Richard Kenneth III , B/M, 10/24/2002**, did violate **Texas Penal Code 22.01(a)**, intentionally knowingly causes bodily injury to the victim by hitting him the victim in the back of the head and kicking him to the back. The victim had a complaint of pain with visible injuries and pain to the victim's back.
